(Prince George, VA) –Police Investigating Fatal Crash

On June 30, 2022, at approximately 10:05 p.m., the Prince George County Police Department responded to a two-vehicle crash in the 9300 block of Robin Road. Officers determined that a Toyota Corolla, a four-door sedan, was traveling southbound on Robin Road when it crested the hill striking a Ford F-150 head-on.

The driver of the Corolla, identified as Payton Faulkner, age 18, of Prince George, suffered fatal injuries in the crash. He was pronounced deceased at the scene. The passenger was ejected, sustained life-threatening injuries, and was transported to VCU Medical Center by helicopter. The second vehicle's driver had significant injuries and was transported by Prince George Fire & EMS to Southside Regional Medical Center. Investigator's preliminary findings revealed that the driver of the Corolla was not wearing a seatbelt, and speed was a contributing factor.

This investigation is ongoing. Anyone that witnessed this incident, or anyone with information related to the crash, is requested to contact the Prince George Police Department at (804) 733-2773.
